

ENG VS COMM Charity Hockey Game

Partnership Opportunities

in support of

AT A GLANCE

We are excited to announce Dalhousie's first ever *Engineering vs Commerce* Charity Hockey Game is happening on March 17, 2023 at 7PM. All funds will be going towards **The Canadian Cancer Society's Lodge That Gives**. This is a local facility that provides free housing, support, and accommodations for those suffering from cancer and their families.

The game is endorsed by the NHL's **Hockey Fights Cancer Initiative**, founded to unite the hockey community to help people with cancer and their families.

PARTNERSHIP OPPORTUNITIES

We are offering the following benefits for organizations that wish to partner in fundraising through this initiative:

- Brand exposure on our social media & at the game
- Organization exposition within the Commerce & Engineering student bodies
- Tickets to the game
- Recurring partnership opportunities as this match is the first of an annual tradition for Dalhousie Commerce and Engineering.

OUR GOALS

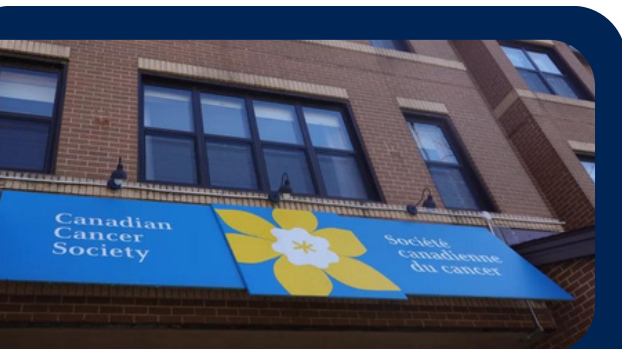

Our goal is to raise **\$40,000** this March. To reach our goal, we are seeking businesses wanting to get involved by:

Making donations to our initiative
(Will receive tax credit)

Providing your products for giveaways and prizes during the fundraising period

THE LODGE THAT GIVES HALIFAX

The Canadian Cancer Society's Lodge That Gives provides accommodations free of charge for those undergoing cancer treatment and their families.
