

WELCOME A NEW YEAR

Life is buzzing with energy here at the Rowe, as classes and events have kicked back into full swing after a well-deserved break. As we start this new year and semester, let's take a moment to reflect on our fall semester. Throughout the semester, the DCS has worked tirelessly to ensure a fruitful return to campus. We organized an evening boat cruise, captured stunning moments at the fall golf tournament, hosted our first dodgeball tournament, and successfully raised funds for men's health. The first semester of this academic year has been nothing short of amazing! Our umbrella societies have been excelling in engaging students, and it's heartening to witness the renewed enthusiasm and involvement on campus. If you haven't already, explore opportunities to join one of our societies and stay tuned on social media for exciting upcoming events we have planned for the winter 2024 semester.

MOVEMBER '23 MOVEMBER® FOUNDATION

The Dalhousie Commerce Society successfully surpassed out Movember fundraising goal by \$3,072!

Every year DCS and all umbrella societies actively participate in the month of Movember to raise awareness in support of men's health. Our fundraising goal was set at \$15,000 this year. We are proud to announce that we passed half of our goal in only 3 days. This year we have successfully raised a total of **\$18,072**. DCS is extremely thankful to everyone who has participated in Movember events and contributed to our goal. We couldn't have done it without you!

MEET THE TEAM

Katie Verge
PRESIDENT

For over a century, the Dalhousie Commerce Society has represented a cornerstone of student connection by uniting Commerce Co-op students with Faculty, helping to integrate the next generation of student leaders into Kijipuktuk/Halifax's corporate community. At the Dalhousie Commerce Society, we have found remarkable success in simply following our mission statement. Stay "committed to enriching the commerce student experience". By following this principle, the student voice remains at the forefront of our decision making and promotes student success, year-after-year.

OUR FALL EVENTS!

2023/24 DROP

Annually, the DCS releases a new merchandise collection. We aimed to create a unique collection, unlike anything students have seen before. The Dalhousie Commerce Society marketing team wanted to create a collection based on the modern and trendy styles of the moment. Our line offers an array of items for our students to wear around campus that authentically fit the Dal Commerce lifestyle. Ensure you snag some merch before it's too late, this collection is LIMITED EDITION!

Want some merch? Check out our online shop at dalcomm.ca to browse and purchase!

Thank you to our students who helped model, shoot and design this collection! This was such a fun way to get commerce students together.
